Women Who Wear Well.

It is astonishing how great a change a few years of married life often make in the appearance and disposition of many women. The freshness, the charm, the brilliance vanish like the bloom from a peach which is rudely handled. The matron is only a dim shadow, a faint echo of the charming maiden. There are two reasons for this change, ignorance and neglect. Few young women appreciate the shock to the system through the change which comes with marriage and motherhood. Many neglect to deal with the unpleasant pelvic drains and weak-nesses which too often come with marriage and motherhood, not understanding that this secret drain is robbing the cheek of its freshness and the form of its

fairness.

ADVENTIST ATTACKS CLERGY.

That the churches are rejecting the word of God, and that a vast number of word of God, and that a vast number of the clergy is walking in darkness and falling into idolatry, was the declaration of Elder G. I. Butler, former president of the general conference, last evening, in a sermon at the camp of the Seventh Day Adventists at Tokoma Park, D. C.

The judgment court is being held in heaven now," said Elder Botler, "and the world is to be judged before Christ comes, He will come to executs the udgement, and it will not be long before those who are in the dark will weep and moan in agony. Babylon fell because of rejected light, and it was in 1844 that the Adventist doctrine was turned down because it savored too much of proph-Yet one-fourth of the Blessed Book is prophecy. What would happen, then, if Christ did not come soon?"?

SUNDAY AT CONEY ISLAND.

There was consternation yesterday among the showmen who have millions invested at Coney Island when Mayor McOlellan, of New York declared that none of the Island's places of amuse-ment, the operation of which involves labor, will be permitted to do business on Sundays bereafter. "It is the law," said the mayor, "that Sunday shall be a day of rest, and that the only work done on that day shall be work work done on that day shall be work of necessity or charity. The law is the law," said the mayor "and I am here to enforce it," Strict enforcement of the Sanday law, unless modified by injunctions obtained by showmen, will anital invested at the beach resort.

Frederick Thompson, manager of Luna Park, says he will fight the puri-tanizing of Coney Island by every means in his power.

VIRGINIA BANKERS. With 150 delegates the Virginia Bankers' Association gathered at the 119 South Fairfax Street, Chamberlin Hotel, Old Point Comfort, yesterday, for its sixteenth annual convention. The convention will last until tomorrow. President Joseph Stebbins, of South Boston, made a report, in which he recommended the establish-ment of a bureau of banking and the examination of banks by state examiners. Complimentary reference was made to the Virginia farmers. Secretary Gatling, of Lynchburg, reported a total membership of 301, 28 new members having been added since last year. Treas-urer H. A. Williams, of Richmond, reported a balance of \$3,000 in the treasury. It was decided to ask the general association not to take final action on the state bank laws until the state bank owners can agree upon some desirable

CANONZATION CEREMONIES.

The final cermonies in the canonization of Clement Hoffbauer the German redemptionist, and Joseph Oriol a Spanish priest, of Barcelons, took place at S. Peter's, Rome yeaterday before a vast
